Dear Parents/Guardians,

Assalamu Alikum Warahmatullahi Wabarakatuh,

Welcome back everyone! We hope you all had a blessed summer and we are extremely excited to welcome you back to a new school year! InshaAllah, it'll be as pleasant and memorable as the years before.

Just as a short notice to all parents, there is still some construction going on around the school, so for the first few weeks, students will be taught in varying locations around the school. Their classrooms are still being perfected, so meanwhile, students will be accommodated in other temporary classrooms.

After the construction is completed, students will be moved to their respective classrooms. With that said, once again, we welcome all of you back to another exciting year at Iqra!

Thank you,

Faisal Ali

Dismissal Procedure

In order to ensure our students safety, we have implemented the following dismissal procedure at the end of the day. Also, students from Grades 4 and up may pick up their younger siblings, provided that they have a written note from their parents/guardians. Parents/guardians are kindly requested to wait either in the hallway next to the library or in the courtyard, while the classes are in session.

Please make sure to pick up your child/ children on time as there is no supervision after 3:30pm.

Dress Code for our Respected Parents

We are working hard to provide and promote an Islamic environment in the school and to continue providing this opportunity to our students hence, we need your co-operation. Parents/Guardians are kindly requested to observe the Islamic dress code whenever they come to pickup/drop off their children or/and to any of our School's functions.

Bus Buddies

The school has a program in place called Bus Buddies. With this program, students from the older Grades 7 and up are assigned to pick the bus students from the younger Grades. These older students have been assisting the younger students to the bus before the end of the school day. This system has increased the success of the bus by students arriving to the bus safely and efficiently which has allowed the bus to leave the school earlier.
